

**THE MOOG CENTER**  
**FOR DEAF EDUCATION**  
*Where Deaf Children Talk*

*Parents and Staff:*

*The Moog Center follows the Ladue School District's snow schedule.*

*If the Ladue School District is closed due to inclement weather, The Moog School will also be closed. Please listen to the radio and/or television stations that announce school closings to hear if Ladue has closed. School closing or late start information will also be posted on the Moog Center website in the Now Hear This section.*

*If Ladue School District is following a late start schedule due to inclement weather, The Moog School will also follow a late start schedule. Children may arrive at 9:30 and school will start at 9:40. There will be no Before-School Care provided when following a late start schedule. Also, if you have a parent support meeting scheduled for that morning at 8:30, please talk to your parent educator to reschedule your meeting.*

*If The Moog School is in session and road conditions are too hazardous for driving your student to school, please notify the school office if your student will not be attending school. This notification allows teachers time to change plans for the day's activities.*

*Thank you,*

*Betsy*
